

**OLYMPION'S FLAGSHIP ARTISTIC PERFORMANCE:
"MELODIES OF ETERNAL YOUTH"**

On March 19, 2025, Olympion Educational Group held its annual Cultural Evening at the packed Nicosia Municipal Theatre, with great success. This well-established event highlights the power of art in education, promoting a holistic approach to learning.

This year's production, titled "Melodies of Eternal Youth", was a musical and dance tribute to the iconic composer Mimis Plessas—a creative force whose century-long life left behind music full of youth, freshness, and timelessness.

More than 100 students from the Primary, Gymnasium, and Lyceum took the stage, delivering a high-caliber performance that combined music, speech, dance, orchestra, and choir in a vibrant and emotionally rich experience.

The entire show was created from the ground up—with vision, passion, commitment, and above all, love and respect for this musical legacy. The warm applause of over 1,000 attendees sealed the success of the evening.

Congratulations to all students, the creative director, Christina Kriticou, and everyone who contributed to this unique artistic achievement.
